Union County Audit Committee

July 22, 2019

To The Honorable Union County Commission,

This letter is to inform you of the discharge of our duties as the Union County Audit Committee as required by our charter.

As part of these duties we have examined the financial statements of Union County based on the independent auditors' report and our review and they appear to be fairly presented.

Based on our assessment, the independent auditors of the county appear to be independent of county management and professionally competent.

Based on this committee's review and observations, the only noted weaknesses in the county's finances are: 1.) The Ambulance Service did not have adequate segregation of duties, 2.) The Office of The Register of Deeds had not reconciled bank statements with the general ledger.

After reviewing both the audit, management responses and speaking to the auditor completing preliminary work on the current year audit, we as the audit committee feel that the noted weaknesses have been addressed and should not reoccur.

We will continue to monitor these situations and address the issues at our next required meeting.

Sincerely, The Union County Audit Committee

Sidney Jessee, Jr., Chairperson Jennifer Garren, Committee Member Gail Corum, Committee Member

Present:

Jennifer Garren, Committee Member Sidney Jessee, Jr., Committee Member Gail Corum, Committee member Heather Sizemore, Representative of Mayor Bailey Amy Sosville, Legislative Auditor Cody Eidson, Auditor

Gail Corum, secretary of the committee, called the meeting to order in absence of the current Chairperson Janet Holloway. Janet has been appointed to the Union County Budget & Finance Committee and cannot serve on both committees.

A motion was made by Jennifer Garren to elect Sidney Jessee as Chairman. Motion was seconded by Gail Corum and passed by majority vote.

A motion was made by Sidney Jessee and seconded by Jennifer Garren to accept the minutes from the previous meeting. Motion passed by majority vote.

Amy Sosville, CPA, Legislative Auditor, presented the audit report to the committee. She stated that the Ambulance Service had a finding of segregation of duties. She stated that Director Reed was told in his audit exit interview what he needed to do to keep this finding from occurring in the future. He needs one person to open the mail and make a list of the checks received, another person needs to verify the checks received and document by their signature that both parties have reviewed the checks received each day. Also someone other than the bookkeeper / secretary needs to take the deposit to the Finance Director's office.

The second finding of the audit was that the Register of Deeds had not reconciled the bank statements to the general ledger from June 2017 through November 2018. Cody, the field auditor, stated that he had been in contact with the Register of Deeds and she is working on the reconciliations and this finding should not happen in the future.

Both Amy and Cody stated that they were able to obtain all documentation needed to complete the audit from county management. The auditors did not encounter any resistance from county management with regards to their records requests. The records were submitted promptly and without delays. The auditors believe that the financial statements are being fairly stated and materially reflect the financial operations of the County. They auditors feel that they had sufficient time to perform their audit adequately.

The auditors were asked by the committee if they had any concerns or issues that they felt needed to be addressed by the audit committee. Both Amy and Cody stated that they had none. The committee was then asked by the auditors if any of its members had any concerns or issues that they felt needed to be addressed. The members of the audit committee had none.

The committee discussed making further inquiries with the Ambulance Service Director Andrew Reed regarding his segregation of duties policies before presenting our report to the Union County Commission.

Motion was made by Gail Corum and seconded by Jennifer Garren to adjourn.

Meeting was adjourned at 2:45 pm.

Sidney Jessee, Jr., Committee Chairman Gail Corum, Committee Secretary

PART II, FINDINGS RELATING TO THE FINANCIAL STATEMENTS

Findings and recommendations, as a result of our audit, are presented below. We reviewed these findings and recommendations with management to provide an opportunity for their response. Written responses for all findings are paraphrased and presented following each finding and recommendation. Management's corrective action plans, whether related to the financial statements or federal awards, are presented separately in the Management's Corrective Action Plan in the Single Audit Section of this report. Findings relating specifically to the audit of federal awards, if any, are separately presented under Part III, Findings and Questioned Costs for Federal Awards.

OFFICE OF COUNTY MAYOR

FINDING 2018-001

DUTIES WERE NOT SEGREGATED ADEQUATELY AT THE AMBULANCE SERVICE (Internal Control – Significant Deficiency Under Government

(Internal Control – Significant Deficiency Under Government Auditing Standards)

Duties were not segregated adequately among employees at the Ambulance Service. Employees responsible for maintaining accounting records were also involved in receipting, depositing, and/or disbursing funds. Sound business practices provide that management is responsible for designing internal controls to provide reasonable assurance of the reliability of financial reporting and of the effectiveness and efficiency of operations. This lack of segregation of duties is the result of management's decisions based on the availability of financial resources and is a significant deficiency in internal controls that increases the risk of unauthorized transactions. Also, this deficiency is the result of management's failure to correct the finding noted in the prior-year audit report and the failure to implement their corrective action plan.

RECOMMENDATION

Officials should segregate duties to the extent possible using available resources.

MANAGEMENT'S RESPONSE – JASON BAILEY, COUNTY MAYOR AND ANDREW REED, EMS DIRECTOR

In response to the audit finding "Duties Were Not Segregated Adequately at the Ambulance Service," Union County EMS agrees with the listed finding and has addressed the deficiencies within it. Union County EMS has made policy and personnel changes that ensure deposits and segregation of duties are completed according to audit standards and recommendations.

OFFICE OF REGISTER OF DEEDS

FINDING 2018-002

BANK STATEMENTS WERE NOT RECONCILED WITH THE GENERAL LEDGER (Internal Control – Significant Deficiency Under Government Auditing Standards)

Bank statements were not reconciled with the general ledger. When auditors arrived in November 2018 to begin the audit, bank statements for the office checking account had not been reconciled with the general ledger since June 2017. Sound business practices dictate that bank statements should be reconciled with the general ledger monthly to ensure errors are identified and corrected promptly; therefore, errors may have remained undetected and uncorrected in this account since June 2017. This deficiency can be attributed to a lack of management oversight. Cash in bank at June 30, 2018, was determined by substantive testing and alternative auditing procedures and is presented properly in the financial statements of this report.

RECOMMENDATION

The office should reconcile bank statements with the general ledger monthly, and any errors discovered should be corrected promptly.

MANAGEMENT'S RESPONSE – REGISTER OF DEEDS

I concur with this finding. I will reconcile the bank statements monthly to the general ledger.

PART III, FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

There were no findings and questioned costs related to federal awards for the year ended June 30, 2018.

Person Responsible for Implementing the Corrective Action: Andrew J. Reed, Director

Anticipated Completion Date of Corrective Action: Immediately

Repeat Finding: Yes

Reason Corrective Action was Not Taken in the Prior Year:

Almost all payments made to Union County EMS are made through ACH Deposits with very few payments made directly to Union County EMS Office in the form of checks or cash. Due to the limited amount of on-site transactions segregation of duties have not been followed because it is not fiscally responsible to add additional employees to meet the small number of transactions. Union County has utilized on duty ambulance staff as much as possible to correct the deficiency per audit request much as possible to correct the deficiency per audit request.

Planned Corrective Action: Union County EMS will attempt to utilize on duty EMS ambulance staff to receipt all mail and payments, when possible, in conjunction with the billing office personnel.
