RECOMMENDATIONS:

Per Fund balance policy, the prior year fund balance is reviewed. If fund balance is greater than the optimal fund balance, the value should be used for capital expenses and Recommend using available funds above fund balance policy to balance budget and move additional available funds to capital projects Recommend adding additional property tax to Fund 131 Highway in order to cover FY23 pay increases which increases their MOE.

Recommend reducing Chamber of Commerce Hotel/Motel percentage from 80% to 60% which allocates the Chamber \$69,752 for FY23

Recommend instituting scale and rescind using COLA for employee increases.
